ROXBURY PLANNING BOARD

1991 Annual Report

During the calendar year 1991 the Town of Roxbury Planning Board met for twelve regular meetings.

We also had two public hearings. Two separate 2 lot subdivisions on Holten Ledge Road were granted to Robert and Cheryl Burrowes at these hearings.

Some of the meetings were spent compiling data from the survey that had been sent to all Roxbury taxpayers. The results are being used during our continued work on the Master Plan.

Regular meetings of the Planning Board are scheduled to be held for the calendar year 1992 at 7:00 p.m. at the Roxbury Meeting House on:

March 17, April 15, May 20, June 17, July 15

August 19, September 16, October 21, November 18, and December 16

TOWN AUDITOR'S REPORT

This is to certify that I have examined the books for the Town of Roxbury for the year ending December 31, 1991.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustees of Trust Funds. I find that the books and records of the Town reflect its true financial condition as of December 31, 1991 to the best of my knowledge and belief.

I would urge the Selectmen to find a formal way of recording their receipts such as a receipt book or a voucher system.

I would like to note that the Treasurer's books have been computerized. This has gone a long way in making the Treasurer's job much more efficient and accurate not to mention much easier to audit.

At this time, I would like to thank all town officials involved during the audit. Everyone was most cooperative.

Respectfully submitted.

During the year of 1991, there were some changes that took place within the Department. Ron Smith resigned due to personal commitments. Earl stepped down as Chief, to take a full-time Chief's job in Dublin. Good luck Earl. He will, however, be staying on as a Deputy. I now have been appointed Chief.

As Earl indicated in last year's report, we have had a traffic problem in town. Especially during the summer months with such things as speeding vehicles, suspicious vehicles, vehicles blocking traffic and driveways, OHRV's running up and down the roads, and also accidents. To help try to curve this, Earl implemented extra patrols during the summer. We also received the new radar unit this year. An

additional 48 hours of patrols were set aside during the busiest times, and were done at different times of the day, and week to give us the element of surprise. This seemed to help reduce the auto complaints by 13 this year. We had 75 vehicles stopped, some received warnings on their speed, where others received summons for blatant offenses. One motor vehicle stop consisted of a chase of a motorcycle into Keene, where the operator was taken into custody for speeding, failing to stop for police, unregistered vehicle, unlicensed, stop sign violation, transportation of and possession of drugs. That operator was bailed, appeared in court, and found guilty on all charges.

This year we are going to set up another patrol schedule like last years.

Like Earl indicated in last year's report, we will have the State Police handle all non-emergency investigations again. We will still respond to all emergency calls when available. Please bare in mind that the State Police cover the whole county and they handle calls on a priority basis. If you have a non-emergency, you must allow extra time for them, in the event one of us is not available. The procedure to contact police will be the same.

DIAL 352-1100

The dispatch center in Keene will answer the phone. **EMERGENCY DISPATCH.** The dispatch center dispatches for the entire county so they will ask you a number of questions such as the **TOWN** the problem is in, the name of the **ROAD**, your **NAME**, the phone **NUMBER** you are calling from, and the location of the problem if it is different from where you live. Please try to stay as calm as possible and give any information to the dispatcher you can to help them, help police find the problem. Due to the remote areas in town, some do not have house numbers or names on mailboxes. We may know you but if the State Police are handling the call, they don't know you or where you live.

When reporting a crime tell the dispatch that you want to see an officer or receive a phone call from one, whichever is appropriate. Don't ask to speak to a certain member of the department. This may be considered a non-emergency call and if that officer is not available it may be some time before he can be reached.

IF YOU SEE SOMETHING OUT OF THE WAY OR STRANGE, REPORT IT. It may seem not important to you at the time, but it may be a link to something we are all ready working on and may assist us in taking care of another problem that you don't know about.

Due to high cost of landfill disposal, we are still having some problems with illegal dumping of large objects such as stoves, refrigerators, washing machines, etc. We have solved some but some still remain unsolved. Due to your help in reporting suspicious looking vehicles and getting license plate numbers for us, we did not have an increase in dumping this year.

I want to thank the town's people for their continued support and assistance over the past year. I will be looking forward to serving the people as your new Police Chief. If you have any questions or concerns, please feel free to contact me at any time.

ARTICLE 7: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and will vote to raise the sum of \$2,000.00 for interest expenses. Motion carried.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$100.00 for a contingency fund. Motion carried.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for summer and winter maintenance. Motion carried.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$226.00 to support the Mental Health Service Program of Monadnock Family and Mental Health Service. Motion carried.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$23,115.00 for highway construction and reconstruction. Selectmen's Comment: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly ex-

pended a vote is required. Motion carried. Discussion: A resident asked if we would lose money and how much by closing the Dakin Road (*see Article 19.*). Selectmen answered: yes, \$8 or \$900.00.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$250.00 as the Town's planning expenses and its share of expenses for the operation of the Southwestern N.H.. Regional Planning Commission. These funds to be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried. Discussion: Chairperson Barbara Neylan said that the Planning Board would be updating the Master Plan this year and would welcome help and input from Townspeople. This will be an ongoing process.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$3,662.00 to be paid for dump privileges in the Town of Marlborough and to pay Roxbury's share of solid waste management district expenses. Motion carried.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$100.00 for emergency assistance to the Town Poor. Motion carried.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$1,574.00 as its fair share of stand-by costs for the use of the City of Keene's ambulance service. Motion carried.

ARTICLE 16: To see if the Town will vote to complete the re-evaluation of the Town utilizing the remaining \$1,487.00 previously raised for this purpose and held in the Capital Reserve Fund. Selectmen's note: Because of timing, the Current Use properties were not completed and to complete the re-evaluation, this needs to be done. Motion carried. Discussion. Thus the current use land will be brought up to current valuation as the rest of the Town's property has been.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$938.00 for radar equipment to be used by the Police Department. Selectmen's comment: The purchase of this equipment is contingent on the approval of a Federal Traffic Safety Grant in the amount of \$938.00 matching the Town Funds. The total unit cost is \$1,876.00. Motion carried. Chief Nelon explained that ten years ago, a ten-year-old unit cost \$600.00 and it was a stationary one. For \$938.00 we will have a new unit and it will be a moving mode unit. He further explained that we cannot sell or keep the old one but can donate it to the Sheriff's Department which in turn might help with traffic control.

ARTICLE 18: To see if the Town will vote to return those funds from the Tax Map Capital Reserve Fund to the General Fund. Motion carried. Selectmen explained that this money has been left over the years but a vote is needed to return it to the General Fund.

ARTICLE 19 : To see if the Town will vote to the closing of the Dakin Road subject to gates and bars. Motion carried. This Article generated much discussion: Selectmen explained that with the dumping of trash on back roads which has increased and added to the refuse deposited by people partying at Babbidge Reservoir, there is a sanitation problem which shouldn't exist. Therefore limiting access will greatly decrease the potential for a health hazard. The City of Keene will pay for the gating and the maintenance of the gates. Also with a gate up, the police will be able to stop violators. A resident brought up the possibility of gating the Woodward Pond Road. This was deemed impractical as, unlike the Dakin Road, many property owners would be involved thus inconveniencing their access. Townpeople agreed that their recreational passage on Town roads, in this case, the Dakin Road, should not be denied or restricted just because outsiders cause a sanitation problem. Because a gate or bar could limit access to Townspeople for recreational use, Road Agent Steve Yardley will ask the City of Keene to construct the gate in such a way that there will be passage for walking, horseback riding, skimobiling or skiing.

ARTICLE 20: To transact any other business which may come before the said meeting. Motion carried. Selectman Whipple presented the following Article:

a. Any property owner or lessee may accommodate one trailer or recreational vehicle of a non-paying guest for a period not exceeding 30 days in any one year. Permits will be issued by the Board of Selectmen for the designated time period. Definition of trailer or recreational vehicle being:

1. Motorhome or van, which is a portable, temporary dwelling to be used for travel, recreation and vacation, constructed as an integral part of a self-propelled vehicle.

2. Pickup camper which is a structure designed to be mounted on a truck chassis for use as a temporary dwelling for travel, recreation, and vacation.

3. Recreational trailer, which is a vehicular, portable structure built on a single chassis, 100 feet or less designed primarily not for use as a permanent dwelling but as temporary dwelling for recreational, camping, travel or seasonal use.

4. Tent trailer, which is a canvas or synthetic fiber folding structure, mounted on wheels and designed for travel, recreation and vacation purposes.

A motion was made and seconded to accept this Article. Motion was carried. This Article was adopted. Discussion: Selectmen explained that presently we have no provision for allowing friends and relatives to live in their RVs while visiting us. This is obviously unreasonable and therefore the need for this Article.

b. Selectmen and Townspeople thanked Mike Neylan, who resigned as Selectman, for his years of service to the Town.

c. Townspeople voted and Selectmen approved to allow the Tax Collector to accept pre-payment of taxes. This came about at the suggestion of a resident.

d. Selectmen and Townspeople thanked Marie Clark, who resigned from the Planning Board, for her years of service to the Town.

e. Again this year many residents turned out for the Potluck Supper enjoyed before Town Meeting.

Meeting adjourned at 9:00 p.m.

Respectfully submitted,
Marika Stuhlsatz,
Town Clerk
